## Shaping Identity

The church (the body of Christ) is one of the greatest creations by God.

Now that's a statement!

Scripture portrays the church as a living body, and scripture affirms that our identity is changed, while together. It's easy for people to miss-align or become fragmented. However, this journey was never intended for us to live a life of isolation.

It is a together-journey. Only then, can we learn to be like Christ.  
To accept differences, to unify where there is no agreement and to accept each others faults and weakness.

We need to recognise that God is with us, and that He alone can change us if we allow Him! Commitment to one another helps us to secure this work.

There is a real sense that God seeks to do something new in each of our hearts. I think this is the true definition of discipleship. It's not for the faint-hearted, or comfortable; in fact, it is the exact opposite and is staring down at you!  
We learn to rise in Christ. (I can do all things in Christ who gives me strength)  
There is no excuse for not growing and not learning.

*Jeremiah 18:6b, You are like the clay in the potter's hands, and I am the potter." This message is from the Lord. ERV*

Is this not true discipleship?

Blessings to you, as we learn our identity is not in what happens to us, but in the potter who holds us, shapes us and moulds us!

### Bushfire Relief

We are thankful and overwhelmed by how our Baptist family has come together to raise funds and support our churches who are ministering to those communities affected by the bushfires. Thanks to you, we've raised well over \$250,000.

Local churches whose communities have been adversely affected are already starting to access the bushfire relief funds and quickly putting them to use. The BUV is working in partnership with the local churches and communities towards recovery efforts that address the physical, emotional and spiritual needs of these communities.

Although some of the fires have been brought under control, many communities are still very much in crisis with churches striving to meet the immediate needs of their communities. We are not yet finished with the bushfire season, and with high temperatures still posing a threat, the human, environmental and financial toll is great.

Please continue to pray for those affected by the bushfires AND those who continue to be deeply affected by drought. Please also continue to think about your individual and your church response to caring for our creation.

# Healthy Safe Church Audit 2020

In the last fortnight (2/2/2020) UBC Leadership has completed & approved our Church Safe Policy now meeting The Baptist Union of Tasmania's required criteria for "Molestation Cover of Vulnerable People".

The Church Leadership Team is keen for our church family to be kept up to date with these changes & in doing so has placed copies on the church notice boards, hard copies in the church Sunway & on the UBC Website. Electronic copies are available from Church Secretary Betty Walsh for those wishing to access this format.

Now having our own Church Safe Policy in place further reinforces the need for all our church volunteers (working with children and / or vulnerable people) to have their own personal Volunteer Agreement's in place. This a responsibility required of our church so as to comply with the outcomes of The Royal Commission into Sexual Abuse in order for us to maintain our Insurance cover-not something instigated by UBC.

For those still needing to complete Volunteer Agreements, the forms are available from Pastor Louis, Secretary Betty or myself.

Ian Pickford— (Acting Church Safe Officer)
