UB News

Sunday 2nd and 9th August 2020  
New Service times - 9am and 10.30am

In a year of mayhem and madness, we have all at some point said, "what is going on?" 2020 for many of us has been the real shifter, riots, marches, and protests, anarchy, financial crisis, economic crisis, soul crisis - all thanks to coronavirus. And we haven't even touched that sacred area of the places in our own lives and that of our loved ones.

The reality is 2020 is far from normal or routine, and in some way, you and I have to muster up the courage to consider this as either an obstacle, an opportunity, or maybe both. Friends, my hope is that I'm never alone. I love and serve a God who himself displayed how to act and behave in the midst of a dark time. And as a result, two things can occur, inactivity or activity in our response to this season. Professor N. T. Wright, (2020) in his book *God and the pandemic* said "actions have consequences. So does inaction."

As image-bearers of Christ Jesus, as followers of the Messiah and Saviour of all mankind, for those who will repent and be saved, listen to these words carefully, David's lament in [Psalm 42](#) *Why am I so sad? Why am I so upset? I should put my hope in God and keep praising him, my Saviour and my God.* NCV Did you read that; **I should put my hope in my Saviour and my God.** We can only share what we have personally received in Christ. And that is how we become the hope of the world. God working and living through our lives, actions, decisions and behaviours every day.

But make sure that in your hearts you honour Christ as Lord. Always be ready to give an answer to anyone who asks you about the hope you have. Be ready to give the reason for it. But do it gently and with respect. [1 Peter 3:15 NIRV](#)

God bless. Pastor Louis

In order to promote a one way flow through the church, we have designated the courtyard entryway as the main entry to the church.

Dear  
Lord  
Jesus,

**Prayer is the worlds greatest  
wireless connection.**

I thank you for the many blessings you have given us during these past few months and the many things we can be thankful for.

Thank you for the easing of restrictions, being able to gather together again at church and for the Sunday services we were just able to share together. We thank you for technology and the many uses it has, for communication purposes especially being able to connect with those during this difficult time and for being able to watch and listen to your word. Your word says, I will give thanks to you Lord, with all my heart; I will tell of all your wonderful deeds.

May we be courageous to share the blessings you have given us to encourage others.

I pray for those struggling at the moment during this challenging and unusual time, and those struggling with sickness and health. I pray that you will help them to have a speedy recovery and to also give them your sense of comfort and peace.

I pray for our church, our missionaries and the leaders and I pray you will strengthen them as they serve you.

I pray for all our church family, for safety and protection.

Thank you Lord, Amen.

**"Never worry about anything.**

**But in every situation let God know what you need in prayers and requests while giving thanks. Then God's peace, which goes beyond anything we can imagine, will guard your thoughts and emotions through Christ Jesus."**

# UB Info Hub

Hello Church Family.

We have been gradually moving our church information across to Elvanto in these last few months, in order to make it more streamlined and much easier to access. As part of recent CLT discussions, we have decided to cease producing our annual Church Directory booklets. Our Church Directory has been a long term faithful servant for us. We believe that producing the Church Directory and keeping Elvanto current will be a duplication of the same information. For those who prefer paper copies, we are able to print a "directory-like" report from Elvanto, which means that even though it will look different, we are able to provide something similar to what we have known. As was the case for the Church Directory, Elvanto will only include UBC family contact information of those who have given permission for their details to be included. If you have not included your contact information in Elvanto we invite you to contact Glenelle and she would be happy to include you. Managing information of this nature is important; it not only needs to be current, but also accessible and secure, and we believe that Elvanto is the most appropriate means of achieving this for us at this time. If you have any queries please contact any one of CLT.

Many blessings, Church Leadership Team.

**For those of you who do not currently use Elvanto, and would like to (there is a Smart Phone app and Internet access available), please contact Glenelle Collyer who can arrange for a secure login to be provided for you.**

Our desire is to stay connected with our UBC family. If you have changed any of your contact details (phone number, email address or home address) please contact the office and let Yvette know so we can update our database.

If by chance you become aware of anyone within our UBC family who is not receiving our UB News or church family updates either by email or hard copy please let Yvette know by phone or email, so we can rectify the situation.
