# BAPTIST CHURCH

15 March 2022

Hello friends, with the recent easing of restrictions announced by our premier on Friday 11<sup>th</sup> of March, we are excited to announce that mask-wearing in places of worship as it best relates to us has been removed. However, while it is no longer mandatory, it is still recommended. In March 2022, the highest active cases of covid in the NW of all of Tasmania (2,203).

It would be wise to consider our seniors or those with health vulnerabilities. Mindful of keeping space (1.5) - Reducing cross over contact as much as possible - and monitor your health situations, as per public health advice.

We understand and need for those who still feel to wear a mask to feel very welcomed in that decision.

We desire to provide a safe and welcoming experience for every person who enters UBC services or attends any of our related ministries or gatherings.

Let us remember, the supreme example in scriptures,  
John 13:34-35 "A new command I give you: Love one another. As I have loved you, so you must love one another. 35 By this, everyone will know that you are my disciples if you love one another."

NIV  
And  
2 Corinthians 8:8 But since you excel in everything—in faith, in speech, in knowledge, in complete earnestness and in the love we have kindled in you—see that you also excel in this grace of giving.

NIV  
(Romans 14:15)

God bless you.

Pastor Louis
