BAPTIST CHURCH

Discover your fit. Use your gifts. Make a difference

Looking to 2026, with emerging opportunities and potential renovations ahead of us, our path forward depends on working together, and success will require everyone's participation.
(1 Corinthians 12:26)

Peter reminds the Church,

“Each of you should use whatever gift you have received to serve others.”

(1 Peter 4:10)

Every church family thrives when each person plays their part. God never designed His Church to be built by a few; it's shaped and strengthened by the many. Your gift, your heart, your presence, they matter more than you know.

When each of us utilise our own unique gifts, we create opportunities for others to do the same. This collective effort creates a church that's alive, vibrant, faith-filled, and Holy Spirit-led. Every contribution is significant, whether it is through prayer, music, caregiving, hospitality, teaching, administration, leadership, participation in connect groups, discipleship, creative endeavours, or encouragement. Where you fit is where you'll thrive.

The Church fulfils Christ's vision when everyone uses their spiritual gifts to support each other's growth. (Ephesians 4:11-13 NIV)

You might think, “What I have isn't much.” But in God's hands, every gift multiplies. The Church isn't complete without you walking in your calling, and the work before us requires everyone.

If Ulverstone Baptist Church is your spiritual home, then God has something for you to do! Let's keep cheering each other on. Ask God, “Where can I bring my gift?” and watch how He uses it to bless others and build His Church.

Our past of 120 years is a reminder of what can happen when people band together, and this is more important right now than ever before! We don't just need volunteers; we need vessels through whom God's gifts can flow.

God bless,
Pastor Louis

The Creating Safe Spaces Workshop provides training on Safe Church principles and practices for pastors, elders, deacons, ministry leaders, children's/youth leaders/team members, or anyone ministering to vulnerable people.

If you are in a position of leadership or influence and are yet to complete Safe Church training, or have not done it in the last three years, **GOOD NEWS!** You can do the brand-new training which was developed by New South Wales Baptists and is being adopted around the country.

The participation of church members in this kind of training is taken into account when any claims are made for insurance, but that is not the reason we want all our Tasmanian leaders to be current with this training. We have all seen what happens when churches are not safe..... and we want to be a movement of churches that are genuinely safe for everyone.

This training only takes 3 hours in person, plus some online training beforehand, which is fairly straightforward. The total cost is \$40.00

The in-person training will be happening at Devonport Baptist church
9 am - 12 pm on Saturday November 22nd.

There is an additional half hour training block after the main sessions for leadership teams and pastors.

Please speak to Pastor Louis or Nerrelie for more information or register at -
