Our Mission Statement

Growing deeper relationships
with Christ and each other

Our Vision Statement

Seeing God change lives through me

As we enter this festive Christmas season,
our hearts return to the powerful promise of **Isaiah 9:2**.

The people who **walked in darkness** have **seen a great Light**;
those who dwelt in the land of intense darkness and the shadow of death,
upon them has the Light shone.

What a picture. We once lived as people who naturally settled into the dark, accustomed by our own way of doing things with the shadow of death hovering over us. We may not have even realised how dim life had become, how much we were merely surviving, or how unaware we were of our need for a Saviour.

Sadly, many walk in darkness today, a darkness that has not lifted because they have not seen the light.

Perhaps this Christmas an opportunity will arise where you will be able to share Jesus' story of hope and redemption. A story of where darkness is pushed back and the enemy retreats because the light is too intense. My prayer is that this Christmas, Jesus, the light of the world, will be revealed and shine upon our community, family, and friends. It is Jesus who gives sight to blind eyes, softens hardened hearts, and heals broken lives

During this festive season and into the New Year, as the world once again races with hurry, noise, pressure, and expectations, may you and your home experience the deeper reality of Christmas:

Christ has come, and His light still shines.
No darkness can overcome Him.
No fear can silence Him.
No circumstance can dim Him.
His victory is our victory.

On behalf of our leadership, ministry leaders, staff and church family, we pray that this Christmas season brings you renewed peace, fresh wonder, and above all a time of deep spiritual celebration of Christ.

Merry Christmas, and may the Light of Christ shine brightly over you, and around you and your family.

Church At the Park

Sunday 28th of December

As a way of giving back to our UBC family who serve so faithfully most Sunday mornings, we will not be holding a formal service at our UBC building on Sunday 28th of December.

Instead, we invite you to join us at Fairway Park (between the red robin and the dinosaur) for a relaxed church family picnic. 11.30am - bring your lunch and a chair or a picnic rug.

It will be a fun, enjoyable time together as we celebrate the end of 2025 with fellowship and communion. We would love to have you there.

PRAYER & PRAISE CARDS

From time to time we all have prayer needs.

We also all have moments of joy and gratitude for God's faithfulness and provision.

We would love to share in these moments with you and pray for your need.

Our prayer and praise cards are in the sunway.

Give your filled out card to the service leader or a host team member before the service.

On behalf of everyone, I'd like to extend a warm welcome to Nathan, Glenelle, and Lyn to our UBC leadership team.

Your individual strengths and commitment to UBC will be invaluable as we work together growing in faith, supporting the church, and deepening our shared values and ministry goals. We are truly grateful for your presence on the team and look forward to what the future holds.

Christmas in Central Coast

Once again, UBC is excited to take part in the Ulverstone Christmas Parade. Our desire is to engage the younger generation in our community while gently pointing their hearts toward Jesus.

This year's float brings the Nativity to life - with every character dressed as they would appear in the Minecraft world.

Some of you may be wondering, **"What is Minecraft?"**

Minecraft is a popular video game (and more recently a movie that was released this year) where players can build, explore, and survive in a blocky, 3D world made entirely of cubes.

In Minecraft, you start with a simple world and then by using 3D blocks, time, care, and an imagination you can build an amazing world that includes houses, castles, farms, cities and forests. Minecraft is all about building and creating something strong, beautiful, and lasting. In the same way, God is the ultimate builder. He created the world and builds our lives with love and purpose.

When our lives are built on Jesus, the solid rock, we can stand strong no matter what comes, just like a Minecraft house that's built on strong blocks. In Matthew 7:24 Jesus said; "Everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock."

When Jesus was born, God started His greatest build ever. Not with gold or grand castles, but in a simple stable, with love and light. Just like in Minecraft, God used ordinary pieces: a stable, a manger, and a star. He then used people: Mary, Joseph, shepherds, kings and a tiny baby, to build something extraordinary.

The nativity is the first block of His rescue plan and a way for us to know His love forever.

Each side of our float, will feature a sign that reads, "Jesus, the heart of God's greatest build."

Please pray that our message will be seen and understood. That people will view our float more than simply joy and entertainment, but to recognise that Jesus coming into the world on that very first Christmas was God's plan to restore and rebuild a relationship with each one of us.

We're Supporting Baptist World Aid's Christmas Appeal!

Pastor Nathaniel lives with his family in the Solomon Islands, where families experience frequent illness and injury, and poverty means communities can't access all they need. But this is changing. With support from Baptist World Aid, Pastor Nathaniel volunteers his own time, leading health and safety initiatives that eradicate illnesses like malaria, build strength and help communities overcome poverty. Want to multiply this impact? Give to Baptist World Aid's Christmas Appeal and equip local Christian leaders like Nathaniel to love their neighbours.

Help Church Leaders Like Nathaniel Transform Communities This Christmas

Be Part of The Solution To Poverty

Christmas is a time for communities to gather in thanks to God for his most wonderful gift: Jesus. We invite you to share our dream of a better world where communities live in fullness of life as God intends. Give a gift that helps families achieve the health and wellbeing they need to thrive now and for generations.

A Legacy Of Generosity

Australian Baptist Churches have a long history of uniting to make an impact on poverty at Christmas. Since 2020, our collective churches have raised over \$1,500,000 to transform lives and support vulnerable communities! Your church has been an important part of this work, and we're so thankful for your generosity.

Fullness Of Life For All

For most of us, Christmas is abundant with wonderful things: friends, family, giving and receiving gifts, preparing and sharing meals, holidays, children's concerts and so much more. God has blessed us.

This Christmas, will you respond with a generous gift to those who need it most?

Jesus said in Luke 6:38, 'Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you.'

Pastor Nathaniel lives and works in the Solomon Islands where life is made difficult by poverty and disease. Once, his community battled constant bouts of diseases like malaria, leaving families sick and weak. Now the whole community lives in good health, and malaria has been eradicated.

Around the world, many children, women and men have the capacity to change their lives and communities for the better but are limited by poverty.

Your gift this Christmas will equip local leaders like Nathaniel to help their community thrive in good health

If you would like to give to Baptist World Aid Australia this Christmas there are a number of ways you can do so.

Give directly by scanning the QR code.

Fill out the Baptist World Aid Christmas Appeal 2025 card and pop it in the mail.

Give a cash donation by using one of the marked 'Baptist World Aid Christmas Appeal' envelopes and place it in our UBC offering box throughout the month of December.

**VMTC Tasmania invites you to our school in Hobart

This is a new format for our school - based over 2 consecutive weekends. The first weekend is "Live-out" and mainly teaching at CFC church Risdonvale. The second weekend is "Live in" at Blue Lagoon camp (with the option to "Live out"), and mainly for prayer ministries.

**PERSONAL Prayer and
Healing Ministry**

We recognise that many christians struggle with parts of their lives that are preventing them from stepping into God's plan for them. Walking in victory and wholeness is God's heart for every Christian believer.

We aim to bring personal healing and wholeness to each individual through teaching on areas of sin and bondages and God's pathway to freedom. We include a confidential prayer and healing ministry for each individual as well as training and participation in prayer ministry for others. You will also be trained and involved in intercession for others through prayer vigils.

Our heart is to train you to minister God's healing to both yourself and others, through a simple pattern of biblically based prayer. This structured way of praying has been powerfully effective in bringing God's healing, deliverance and freedom to many of our attendees over many years.
