END OF DAZE

SERMON SERIES

Our call and sense to rise is never without challenges. This year, the Lord is stirring my heart, and maybe yours too, in a fresh 'come near me' way.

We have recently started a series titled, "End of Daze" to help us stay relevant, understand the times we live in, and to clarify doctrine, spiritual authority and Bible teaching, so we can help those who need answers.

I am so encouraged by Peter's commendation to the church. In the below verse we find Peter addresses growing in spiritual maturity.

"In addition, we have a most reliable prophetic word, and you would do well to pay attention to it, just as you would to a lamp shining in a dark place, until the day dawns and the morning star rises in your hearts" 2 Peter 1:19 CEB

Peter points us to the prophetic word, God's promises and Scripture as something reliable. He urges believers to pay attention to it, not casually but intentionally, as if someone were watching a lamp shining in a dark place. God's Word brings clarity, direction and stability until the "day dawns" and Christ's light fully breaks through.

Church family and friends, in a world that is shifting, this verse calls and invites both you and I to be a disciple: one who is maturing in Christ and empowered by the Holy Spirit. It is also for the church to stay on course and to maintain our confidence in Scripture until Jesus returns in full glory.

Amen. Pastor Louis
