

Surprise Me!

How exciting it was to see our 2026/2027 leadership team commissioned on Sunday. Standing with existing leadership team members, we welcomed new team members. Together we will serve the Lord and His people. The future looks very exciting!

I am reminded that as we serve, we must keep our eyes on Jesus, hold fast to Him, and trust Him with all our hearts (Proverbs 3:5–6). It is dangerous to think we can do it in our own strength. We simply cannot! God said, ‘He is working in us, giving us the desire and power to do His will’ (Philippians 2:13).

In Acts chapter 9, we read how Saul had a remarkable encounter with Jesus. This encounter completely redirected Saul’s life. After this encounter, God sent Ananias, (an ordinary disciple willing to obey the Lord) to Saul with these words, *“**Brother Saul**, the Lord Jesus, who appeared to you on the road as you were coming here, has sent me so that you may see again and be filled with the Holy Spirit.”* (Acts 9:17, NIV)

Ananias laid his hands on Saul, his new brother in the Lord. Saul’s sight was restored, he was filled with the Holy Spirit, and he was baptised. What an extraordinary transformation! God used an obedient disciple to help someone step into a new future.

As we head into a busy season, **I encourage you to walk in the Holy Spirit, relying on His guidance, strength and presence.** Avoid distractions, stand firm, and remain open to what God may do. Don't let disappointment, fear, or familiarity prevent you from embracing God's calling. There are hearts to reach, lives to encourage, and people yet to discover the life Jesus offers. Keep praying, keep believing and keep making room for God to work. Perhaps you are just one prayer away from a fresh encounter with Him. There is still hope. New life is still possible. Your story is not finished. God is still at work!

Blessings as you obey, Pastor Louis.

Have you been thinking about baptism?

Baptism is for anyone who is following Jesus. It's a special opportunity to publicly declare your faith and celebrate the new life you have received through Him. Going under the water represents your old life, and coming up out of the water pictures your new life with Christ.

If you're considering baptism, or simply have questions about what it means, we'd love to hear from you!

There's no need to have everything figured out. Come and have a chat with us as you explore what this next step in following Jesus might look like for you.

Please talk to one of the Elders or any leaders for more information.

Declare His glory among the nations.

Psalm 96:3

Well done Ulverstone Baptist Church!

Together we have packed and sent 312 boxes!

Based on last year's figures, this means that more than 90 children will accept Jesus as their Lord and Saviour with the possibility of reaching many others.

Prior to the boxes being given out, the gospel is shared through "The Greatest Journey"

and it is here that many adults are also present.

Thank you to those who have filled boxes, provided articles for boxes, contributed financially and prayed.

Please continue to pray for safe travels of the boxes, for the children who will receive them and their communities, and for the wonderful Christians who faithfully use these boxes as an opportunity to share the gospel.

Many thanks, Ruth

Christmas Day Lunch 2026

Thank you to everyone who has offered their time on Christmas Day and in the days leading up to help UBC host Christmas lunch for our community. What a wonderful team we have.

Stamps

FOR
BAPTIST MISSION AUSTRALIA

Christmas is a time when Australia Post is very busy with an influx of gifts and Christmas cards.

Please keep your stamps and pop them in the Baptist Mission Australia box at the back of the church. These stamps are then sent to Baptist Mission Australia, sorted and sold to dealers and collectors and generate a consistent stream of funding to support intercultural mission work and projects globally.

Baptist Mission Australia annually raises approximately \$65,000 through the stamp ministry. You may think that your contribution is insignificant, but collectively we make a huge difference.

CHRISTMAS DAY LUNCH

If your loved ones are far away,
